~IMPORTANT ~ PLEASE READ ~ CLASS POLICY ~ IMPORTANT ~

You must pre-register for all classes due to the limited number of students per class. Payment in full is required upon registration. Refunds are made on classes, with a valid excuse and/or 48 hours notice. There will be no refunds if you just do not show up due to the fact that the teacher has already prepared for you to be there. If you know sooner than 48 hours, please let us know so we can fill the space if there is a waiting list. All classes require a minimum number of students, at the discretion of the teacher, before they can be held. Infinity Beads reserves the right to cancel any class due to minimum numbers. Should this occur, refunds will be made accordingly. All classes are for 14 years old and older unless specified.

Once you have paid for your class, you will receive a materials list, if applicable. You are required to choose your materials **before the day of class**, as this can be very time consuming and may delay class. You will get 15% off that any materials required for class. **Also**, having your own tools is required for chain maille, intermediate and advanced classes. Necessary tools will be listed on your supply sheets. Please bring any necessary magnification that you may need along with you the day of class. We will have the OptiSIGHT magnification system here for you to purchase if you need it.
